A photograph of a modern interior space. The ceiling is covered in a large, vibrant, abstract mural with various colors like orange, green, purple, and black. The walls are a deep teal color. On the left, there are dark wooden shelves filled with books. In the center, a long hallway with a polished terrazzo floor leads to a bright doorway at the end. To the left of the hallway, there is a small round table with two chairs. On the right, there are more shelves with decorative objects. The overall atmosphere is contemporary and artistic.

BRH+

BARBARA BRONDI AND MARCO RAINÒ ARE ARCHITECTS INTERESTED IN EXPERIMENTATION THROUGH THEIR PLANNING PRACTICE, THEORETICAL RESEARCH AND CRITICAL THINKING ABOUT ARCHITECTURE, CONTEMPORARY DESIGN AND GRAPHICS. IN 2002 THEY ESTABLISH BRH+ AS A STUDIO DEVOTED TO DESIGN CHARACTERIZED BY A COMPREHENSIVE APPROACH, DERIVED FROM THE CONCEPT OF THE PRACTICE OF ARCHITECTURE OPEN TO THE CONVERGENCE OF DISCIPLINES.

BARBARA BRONDI E MARCO RAINÒ SONO ARCHITETTI, DESIGNER E CURATORI INDIPENDENTI. IL LORO APPROCCIO SPERIMENTALE SI CONCRETIZZA ATTRAVERSO L'ATTIVITÀ PRATICA DELLA PROGETTAZIONE, DELLA RICERCA TEORICA E DELL'IMPEGNO CRITICO NEI CAMPI DELL'ARCHITETTURA E DEL DESIGN CONTEMPORANEO. NEL 2002 FONDANO BRH+, STUDIO CHE OPERA ATTRAVERSO UN'AZIONE AD AMPIO SPETTRO DERIVATA DAL CONCETTO DI ARCHITETTURA APERTA ALLA CONVERGENZA TRA DISCIPLINE, INTENDENDO L'ATTIVITÀ DI PROGETTO COME UNA DICHIARAZIONE POETICA, UN'AZIONE CULTURALE, UNA LEVA STRATEGICA DI POSITIVA TRASFORMAZIONE SOCIALE.
