**1** KOVA's Wallford showerhead is thoughtfully designed to provide a luxurious bathing experience while saving water with an air-injected system that can help achieve USGBC LEED points. KOVAPRODUCTS.COM

**2** Shown in dark nickel, one of 12 metal finishes, Waterworks' faucet with lever handles from the Ludlow Volta collection pairs a round escutcheon with bold lines. WATERWORKS.COM

**3** Fir Italia's Nohea 77 takes a modern approach with circular two-tone handles and a curving faucet with a three-hole design. Shown in white and chrome, 576 different combinations of metals and finishes are possible. FIR.ITALIA.IT

**4** Duravit translates Japanese rituals and craftsmanship into the calming Zencha collection. Designed by Sebastian Herkner, the freestanding tub in pure white features a comfortable sloping backrest. DURAVIT.US

**5** New to the portfolio, Showers by Durasein offers customizable parts, including shower panels in three standard widths, four stock trims, and five bases to create the perfect fit. DURASEIN.COM

**6** Fusing craftsmanship, high quality materials, and luxurious details, Fantini's Venezia handles capture a sense of fluidity with swirls of black and gray suspended inside a sleek Murano glass globe. FANTINI.IT

**7** Moen's 1.2 GPM Widespread Bathroom Faucet features all-brass construction on the curved spout and streamlined handles—a hallmark of the Cia collection. MOEN.COM

**8** From Hastings Tile & Bath's Look series, five shelves form a freestanding bathroom storage column. Shown in Creta Metallizzato, five metal finish options can be chosen for the frame with the inner shelf base offered in six finishes. HASTINGSTILEBATH.COM

**9** Cea Design's modular ABACO system, designed by Natalino Malasorti, is made of stainless steel with reduced carbon content that resists corrosion and promotes hygienic surfaces. CEADISIGN.IT

**10** Flaunting a unique teardrop shape, Alva from MTI Baths features a semi-rolled rim and SculptureStone structure in classic white, ivory, or an array of bright colors in matte or gloss finishes. MTIBATHS.COM

**11** Handcrafted from concrete and reinforced with fibers, Concreti Design's rounded Buffalo basin is made in the U.S. and comes in a warm peach tone, one of 17 playful colors. CONCRETIDESIGNS.COM

**12** A matte black finish and a high, curving spout add a dramatic touch to Jaclo's Uptown Contempo single hole faucet. The swivel spout can be mounted left hand or right hand. JACLO.COM
