WHAT'S HOT

What's Hot Everywhere Else

1. Newly introduced by **SHOWPLACE CABINETRY** are Square Corner Wall cabinets in heights from 30 to 48 inches. Also available are a Square Corner Base with full shelf, Square Super Susan, Square Super Susan with wood trays and the Deluxe Square Super Susan with wood trays. Cabinet pricing depends on selected door style, wood species and finish choice. showplacecabinetry.com

2. **CROSSVILLE INC.** has launched the Multiplier mosaic tile collection. Multiplier is available in three sizes: 2-in. squares, 2-in. hexagons and 3/4-in. penny rounds, all mesh-mounted for ease of installation. The collection comes in three essential hues: white, gray and dark gray, each offered in a matte or gloss finish. MSRP starts at \$6 per sheet for the 2-in. by 2-in. mosaics. www.crossvilleinc.com

3. **STRASSER** introduces two new collections designed to coordinate with the company's luxury bath vanities. Users can opt for a handcrafted, solid-wood cabinet or an aluminum medicine cabinet with LED lights. The solid-wood medicine cabinets offer a choice of four sizes (20, 24, 30 and 36 inches). The 20-in. white vanity shown here has a list price of \$1,290. strasserwood.com

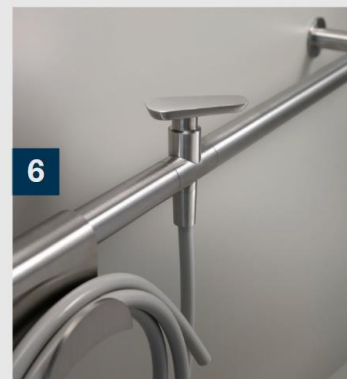

4. The Bond fittings collection from **WATERWORKS** is now available for the kitchen. The range includes 15 modern designs in three overall styles – a one-hole faucet with integrated pull spray, a three-hole kitchen faucet with side space and a one-hole bar faucet, as well as five different handle options. Shown here is the Bond Tandem Series one-hole gooseneck, integrated pull-spray kitchen faucet with a two-tone lever handle in nickel/dark nickel. MSRP is \$2,013. www.waterworks.com/us_en

5. **THERMASOL** is launching its most advanced rainhead, HydroVive. Key features include ceiling-mounted light and sound all in a single self-contained module. Additional technology includes a built-in Bluetooth speaker, color-changing mood lighting and four state-of-the-art speakers. MSRP is \$7,490. www.thermasol.com

6. By **CEADESIGN**, Hook's innovative tap system is made of AISI 316L stainless steel and is inspired by old water taps. The ergonomic shape of the handle is reminiscent of a smooth pebble and ensures optimum ease of use. Price is available upon request. www.ceadesign.it

7. From **REV-A-SHELF**, the Pulldown Shelf brings hard-to-reach items down 11 1/2 inches while pulling out 16 3/4 inches from the cabinet. It features a gas-assisted lifting/lowering mechanism that provides stability through the entire range of motion, and the arms lock into the down position for complete accessibility. The MSRP for the shelves ranges from \$535.35 to \$629.90, depending on size and construction. rev-a-shelf.com

8. Wave by **SIMAS** includes three new wall-hung basins with a thin 0.8-cm edge. The basin is available in three dimensions with a rectangular bowl in 80 by 51 cm, with an oval bowl in 100 by 51 cm. Wave starts at an MSRP of \$995 for the 80 by 51-cm sink. www.simas.it
